Subject: Review of File Closure, TCM Bertha, LLC., The Carter Mine Tunnel, S/045/0092, Tooele County, Utah

Dear Mr. Crowther:

On May 18, 2016, the Division of Oil, Gas and Mining received your request for a file closure for The Carter Tunnel Mine. During a Division inspection on June 19, 2016, it was determined that no reclamation work has been done. Before the Division can process this request, you will need to:

- 1) Repair the gate for safety purposes, and
- 2) Re-submit your Application for Site and/or Bond Release found on the Division's Web site at www.ogm.utah.gov/minerals.

Once the Division receives your re-submitted Application for Site and/or Bond Release, we will inspect the site in a timely manner and respond to your request. If you have any questions or concerns regarding this letter, please contact me at 801-538-5261 or Leslie Heppler at 801-538-5257. In response, please reference our file number S/045/0092 regarding this project.

Sincerely,

Paul B. Baker
Minerals Program Manager
